Well-Known Strangers have been entertaining Midwest audiences with their cello infused, alternative pop/rock sound since October 2015. Led by Betsy Ade's incomparable and emotive vocals (Contestant on The Voice Season 16), their music has been played on radio stations around the country. Together, the band members have an amazing mix of musical knowledge that provides a unique sound that is reminiscent of music from the '90s while being expressively groundbreaking and melodically rich.

A fundraiser to benefit the work of Health Care Network.
