## 2011 in Review

### January, February, March

**Sara Clark APNP, Pradeep Kumar MD, Eileen Willard MD, and Sally Nelson** get our year off to a great start by joining our illustrious group of volunteers.

Supporting our volunteers' effort is the significant generosity of the **St Luke's Hospital Trustees Fund** within the Racine Community Foundation, **J. Vernon and Elmyra K. Steinle Foundation** and the continued commitment of **Racine County** to the lowest income of our community.

In addition, **St Paul the Apostle Church** overwhelms us with proceeds of \$22,201.25 from the parish giving tree. The tree & wreath raffles sponsored by **Wheaton Franciscan Healthcare - All Saints Lab** in conjunction with the **Wheaton Franciscan Healthcare - All Saints Foundation** once again outdoes itself with a contribution of \$2,100. Racine Country Club extends their friendship to HCN with proceeds of \$11,035 from the women's holiday luncheon and a Monte Carlo Night. Special thanks are extended to Janet Goodsell & Kathy Johnson, Dr Rommel Boté, Pam & Julie Algrim, Roger Caron, George Oess, Dr Jerry Oksiuta, Lance Cotton, and Cheryl Foley for the many hours spent in organizing the Racine Country Club events.

The annual Give Kids a Smile Day takes place on February 16, 2011. **Drs. Nicolet DeRose, Wendy Knoell, Ned Murphy, & Larry Neumann** and assistants **Rosa Barnes & Crystal Potrikus** providing screening to 43 children. In most cities, Give Kids a Smile Day ends here but thanks to: **Robert Bissegger DDS, Francesca DeRose DDS, Nicolet DeRose DDS, Ken Gould DDS, Chelsea Guzzo DDS, Tod Hammes DDS, Jeffrey Janosik DDS, Mark Kenfield DDS, Kimberly Kind-Bauer DDS, Lyndsay Knoell DDS, Wendy Knoell DDS, Robert Lamberton DDS, Allison Linstroth DDS, James Luetzow DDS, Ned Murphy DDS, Thomas Navratil DDS, Larry Neumann DDS, Earl Newton DDS, Jay Oksiuta DDS, Jerry Oksiuta DDS, Ed Oshiro DDS, Debra Palmer DDS, Mary Panyk DDS, Jennifer Quizon DDS, David Reesman DDS, Donald Romsa DDS, Suzanne Sikora DDS, Tiffany Smalkowski DDS, and Richard Wagner DDS**, 42 children were able to receive follow-up care to take care of all their current dental needs.

## April, May, June

New providers: **Thomas Bormes MD, Shelly Johnson NP, & Dawn Simon NP** answer the call and join the efforts of the 300+ volunteers who quietly volunteer their services to improve the health of our community.

**Susan G. Komen for the Cure** grants funding to the **Greater Racine County Mammogram Coalition** to continue its work to ensure that women receive mammograms regardless of ethnicity, economic status, or insurance. Health Care Network Inc is proud to work in partnership with Aurora Health Care, the Jane Cramer Foundation, the Racine Health Department, and Wheaton Franciscan Healthcare to deliver this critical service to the women of Racine County.

**County Executive Jim Ladwig and Director of Human Services Dept Jonathan Delagrave** visit Health Care Network to discuss the health needs of Racine County residents.

Volunteer **Kathy Vollmer RN & County Executive Jim Ladwig**

L-R: **Fredrick Ganaway, Georgia & Monroe Thomas, Kathy Ciszewski, and Debbie Ganaway**

Health Care Network applauds the long standing volunteer service of **Monroe Thomas**. Through his company, **Monroe Services Inc**, Monroe has donated cleaning services to Health Care Network since 1990. At a luncheon held at the Marriott and sponsored by the Volunteer Center of Racine County, Monroe Thomas was honored as the 2011 Volunteer of the Year for Health Care.

**Executive Director Barb Tylenda** is selected as the recipient of the 2011 Madonna Medal for Professional Excellence from Mount Mary College. The Madonna Medal is the highest award for a Mount Mary graduate.

Merriment and frivolity abounds at the home of **Pam Johnson**, site of the Health Care Network 2011 Renaissance themed fundraiser. A remarkable **\$29,430** was raised. A debt of gratitude is owed to our hostess Pam Johnson, our sponsors (listed elsewhere in newsletter) and our guests for a memorable evening.

### **Fundraising/Special Events Committee**

**Carol Anderegg (Chair), Linda Budlow, Sue Hammel, Michele Randall, Cathy-Lynn May, Kathie Radwill, Barb Tylenda (Executive Director), Rae Wood, seated - Hostess Pam Johnson**

Health Care Network Inc welcomes **Virginia Kroll** to the staff to replace **Bobbi Hashek-Berger** who with her husband Tom Berger moved to Colorado. Bobbi & Tom were active in many activities within the community and will always have many friends here.

The Annual Meeting was held June 23, 2011. New officers elected for 2011-2012 are President - **Jim Henderson**, Vice President - **Steve Mueller**, Treasurer - **Michele Randall**, and Secretary - **Amy Schiveley**. Elected to the Board of Directors for 3 year terms: **Colleen Andersen, Jhon Freddy Correa, and John Gates**. We thank and congratulate those who are willing to serve in leadership roles in our community.

Unfortunately the Annual Meeting also meant saying goodbye to **Kathy Ciszewski** and **Gregg Albright RPh** as their terms came to an end. Kathy was a value added member of our Finance Committee and served as Treasurer for 2 years. She actively supported the work of the Fundraising Committee by obtaining sponsorships for our events. She is a strategic thinker who carried out all tasks assigned to her efficiently and effectively. From the beginning Gregg was willing to serve anywhere he was needed. Eventually he accepted the leadership roles as both Vice President and President of the Board. Gregg also assisted us in transforming a room which stored medication to a medication dispensing room complete with computerized pharmacy software.

## July, August, September

Health Care Network starts off its new fiscal year with a \$115,000 grant from **United Way of Racine County**.

**Lenore Brockman MD, Mathew Kaplan DO, David Kelley MD, Mathew Pothen MD** became valued volunteers of the program. Long time volunteers **Paul Durbin MD, Michael Mullane MD, and Gregory Pae MD** are voted 1st, 2nd, & 3rd place in the Journal Times Best of 2011 for Racine County. HCN sadly says goodbye to **Gerardo Perez DPM** who generously volunteered his time on-site for years while growing his private practice. We miss him each last Wednesday of the month.

The **Music & More Concerts** at the **First Presbyterian Church** once again delight the community each Thursday noon and end the series in August with a donation of \$1,325 to Health Care Network from free will offerings.

The on-site dental clinic gets a makeover with the donation of dental chairs, file cabinets, supplies, etc thanks to **Gregg Seyler DDS** who donated these items before his move to Chicago.

**Representative Robin Voss** includes language in the State Budget to clarify the definition of surgery as pertains to the volunteer services of physicians in Wisconsin. **Senator Van Wanggaard** supports the bill in the Senate. Passage results in facilitation of care for more low-income uninsured in Wisconsin through free clinics.

**Senator Van Wanggaard** visits the agency meeting with Board President **Jim Henderson** and Board members **Elaine Sutton Ekes** and **John Gates** regarding issues facing the uninsured.

The 2011 **United Way of Racine Campaign** kicks off. Health Care Network employee **Regina Scott Brooks** serves as a loaned executive to the Campaign. 100% of Health Care Network staff contribute! Thanks to **Chris Ruud** for accepting the leadership role as Chair of the Campaign.

## October, November, December

**Richard Odders MD, Erica Waldau DDS, & Allison Wisniewski** join the on-site clinics.

The agency audit is complete with an unqualified report given, no management letter required, and a high financial solvency rating as compared to thousands of like (budget/size) non profits indicating good fiscal practice.

In partnership with **Direct Relief USA, CVS/Pharmacy, and Walgreens** the agency distributes vouchers for free flu vaccines for the uninsured.

The **Kenosha and Racine Mustache Association (K.A.R.M.A.)** organizes Stash Bash on December 3rd with proceeds to Health Care Network. Congratulations to **Doug Nicholson, Jacob Ruff, Ben Bastian, Jeff McKeown, Todd Streeter, & Kevin Pinkerton** for organizing an event celebrating men and their mustaches while raising money for prostate cancer awareness.

Plans take shape for a return performance by **Barbara Rinella** as she dramatizes the life of Katharine Hepburn at a women's luncheon to be held May 18, 2012 at the Racine Marriott. Ms Rinella is remembered for her lighthearted telling of Nora Ephron's **I Feel Bad About My Neck** at Health Care Network's 2010 women's luncheon. The 2012 event is being sponsored by **Racine Dental Group SC**. Please see details elsewhere in newsletter.

Each year one or more businesses goes the extra mile for Health Care Network. This year a special thanks goes out to **CRB Insurance, Educators Credit Union, InSinkErator, SC Johnson a Family Company, and Racine Federated Inc**. In addition, HCN applauds the tireless work of the **Junior Women's Club** whose countless volunteer hours and contributions have supported the Health Care Network and other non profits for many years. As the Junior Women's Club comes to an end we give our heartfelt thanks to them for making Racine a healthier community.

# In Memoriam

By Barb Tylenda

*Since our last newsletter, the community mourned the loss of community members whose families specifically designated Health Care Network as a memorial site. We can never express strongly enough how humbled and grateful we are for these magnanimous gestures.*

In the business world **Allen Buhler** was known as an astute business man. To his grandchildren he was “inspiring, strong, compassionate, charismatic, brave, selfless, and positive”. To the community he was generous and magnanimous. Over the years, the Allen Buhler family donated thousands of dollars to Health Care Network and the community. Of equal importance is the fact that he passed on his multiple positive traits to his children. Allen Buhler led by example and we are a better community for it.

*Lois Hammes was a woman ahead of her times. Today we think nothing of a woman juggling family, profession, and politics but Lois was a business woman and civic leader in an era when a woman’s influence was more prominent behind the scenes. In recent years, I always appreciated the kindness Lois would extend to me at the Women’s Holiday Luncheon at Racine Country Club. This generous group of ladies have used the luncheon as a way to give back to the community and Lois was always so welcoming to me when I was invited to speak. Her hospitality will not be forgotten.*

Next year Health Care Network will mark its 25th anniversary. Over the years many thousands of low income uninsured individuals received much needed health care. A debt of gratitude is due to the early pioneers who saw the need and created the vision of Health Care Network Inc. One of those community minded individuals was **Al Hartog** who served as the agency’s first Treasurer. His original notes outlining the agency’s first financial procedures remain in the checkbook as witness to his early contributions. Through the years, Board members came and went but Al stayed close to the agency - always supportive, always interested in the success of the program. He was a man of many talents, beloved by all and served as a personal mentor to me in our early days. We are all diminished by his passing.

*Carolyn Harvey was a woman I envied for her flair and style. Although I occasionally ran into her when she was out for lunch with her friends, we always knew that if our paths did not cross, we would meet up on the 4th Sunday of September at the Preservation Racine Tour of Homes. We always joked that it was our own “see you this time next year”. The agency scrapbook has years of pictures of Carolyn who always attended our fundraisers. They will be a little less festive without her.*

Often times we have had personal contact with those who name us as a memorial site. It is particularly heartening to be named by someone who appreciated the work of the agency and the commitment of the volunteers from afar. **Herb Jones** was familiar to me as an active volunteer of the National Alliance for the Mentally Ill. It was particularly heartening to have his support of our efforts as well.

*Over the years, the Health Care Network staff has worked with hundreds of volunteers but one of our favorites will always be **Dr William J Madden**. An early volunteer at our onsite clinic, Dr Madden had a gentle and caring manner in working with our women in the area of gynecology. He was a highly skilled physician, but he is most remembered for his gentle and easy manner. He had a gift for putting people at ease and for making everyone feel special. He often took the time to write a note of encouragement, acknowledge an accomplishment of the agency, or share an idea. He is greatly missed.*

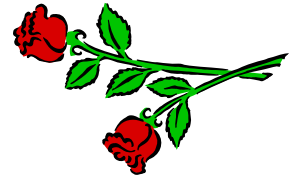

The name of **Emil Pavlik** is synonymous with music. Among his numerous musical endeavors, too numerous to mention, he is perhaps best known as the musical director and arranger for the Racine Kilties Drum & Bugle Corps from 1949 through 1970. His lifelong passion for music and his ability to mentor and inspire culminated in his induction into the Drum Corp International Hall of Fame. However Emil was not a one dimensional man. To his family he was loved for his integrity, courage, unending love, and willingness to always give of himself 100%. His support of the Health Care Network demonstrates his multifaceted care of the community.

*Susanne Pedersen’s many notes to HCN will be greatly missed. Having lost her dear husband Fulton 9 years earlier she kept his memory very much alive with her contributions in memory of his birthday and anniversary of his passing. She always included a little story and words of encouragement. Her notes were warm and as frequent as a pen pal. Her children continue to run the family business Easterday Office Equipment & Supply Company where they always go the extra mile for their customers.*

**Barbara Perkins** always defined herself first and foremost as a wife and mother and she did both jobs with aplomb. As a sister member of Barbara’s PEO Chapter, I was able to witness first hand Barbara’s gracious ways, her endless generosity, and her dedication to family and commitment to community. A charter member of our Philanthropic Educational Organization Chapter she cared about educational opportunities for girls and women and advocated these issues with the grace of a true lady. She and her husband Charles were long time supporters of the agency and made Racine a better place to live and work.

*The union of Gene & Mary Ann Perrelle is made for storybooks. Mary Ann was Gene’s life long love in a day and age when marriage is so easily tossed aside. Mary Ann was a woman full of life. She kept her golf club by her side to the very end. She was remembered for her continuous smile, her willingness to lend a hand or an encouraging word and her eternal optimism. She made life better by just being around and her family and friends remember her with great love and fondness.*

By Barb Tylenda

Although I never met **James Reynolds**, I still asked if it was “our Jim” upon reading of his passing. Jim and his wife Ellie and son Pete were quiet and consistent donors to the agency. It is only at his wake that I became aware of the depth of Jim - a fascinating man with multiple skills, interests, and talents. The stories of creativity, skiing, flying, political involvement, and pride in his work were plentiful as his friends viewed his photos.

*Our 2010 year end newsletter had just gone to print when word came of the passing of our dear friend **Norb Trottier**. Norb was one of our earliest supporters and he wanted all of Racine to know of our efforts. In that light, he did us a tremendous service in helping us get the word out by devoting one of his “In Racine” cable shows to the Health Care Network. It was one of the first very public introductions of our then new clinic/program. One of my fondest memories is a shopping spree with Norb at Sam’s Club after he secured a supply grant for us from Aid Association for Lutherans (forerunner of Thrivent Financial). We filled carts full of office supplies and equipment many of which are still being used today.*

**Mike Webster** was taken from his wife Mary Beth Aldrich and his family far too soon. At the age of 65 Mike left behind a loving family, a legacy of advocacy for worker’s rights, and a love of the outdoors and environment. Committed to social justice issues, Mike was named Labor Person of the year in 1987. Mary Beth shared his passions and was a long time housing/neighborhood advocate in Racine. Together they were named Mr & Mrs Solidarity in 1996. Mike’s legacy was leaving the community better than he found it.

*Health Care Network Inc thought that there was no nurse more deserving of the 1995 Nurse of the Year Award than **Fannie Wynstra RN** and the judges agreed. For over 35 years Fannie worked side by side with Dr Elizabeth Steffen. There was no one who saw Dr Steffen who did not know Fannie. She was dedicated, conscientious and exceedingly knowledgeable about women’s health. When Health Care Network began serving patients through on-site clinics, it was Fannie who as a volunteer set up the medical aspects of the clinic. Fannie set up the rooms, instruments, supplies, and helped us develop the day to day operation of the clinic. Fannie epitomized the essence of nursing through her professionalism, integrity, compassion, and commitment. Fannies’ legacy in the community continues through her naming Health Care Network as a beneficiary of her estate. She will always hold a place in our hearts.*

## A Lasting Legacy

Have you ever pondered the lasting impact of your current involvement with the Health Care Network? Whether you are connected as a volunteer, friend, or financial supporter, you make a difference in the lives of those in need of health care. You make a lasting and significant contribution to the people of Racine County.

Yet another way to have a lasting impact on the future of our work is with a charitable bequest. This simple expression of your support will enable the Health Care Network to continue to provide services long into the future. There are several ways you can make provisions for the future of this important work:

1. Include a gift to the Health Care Network in your will.
2. Name the Health Care Network as the beneficiary of a trust, retirement plan, insurance policy or bank account.

Making a charitable bequest is as simple as a call to your attorney, retirement plan administrator or bank. And, of course, you may change or enhance your gifts at any time. So please, consider leaving a lasting legacy for Racine County.

# 2012 Marks 25 Years of Service to the Community

In the early 80's, when a small group of concerned citizens led by Sr Brenda Walsh set out to find a way for our low-income uninsured neighbors to access health care, thoughts of a 25th anniversary were the furthest thing from their minds. Now, 165,000 appointments (& counting) later, the Health Care Network is the largest free clinic in Wisconsin.

## Please Take Note

To save our precious funds, our newsletter is prepared internally over a several week period and we utilize bulk mailing rates to further stretch our dollars. Therefore there is at least a month between the time our newsletter is completed and it is received in your mailbox. This means that donations received during this time are not able to be acknowledged in the current issue. They will be included in our next issue. Please note the time period this newsletter covers directly under acknowledgements. If we have missed you, please call Barb or Regina at 632-2400. Our donors are very important to us.
