"WE MAKE A LIVING BY WHAT WE GET,
BUT WE MAKE A LIFE BY WHAT WE GIVE."

- WINSTON CHURCHILL

EXECUTIVE DIRECTOR - ALISON SERGIO

Message from the Executive Director

Dear Friends of
Health Care Network,

As 2025 draws to a close, I've been thinking a lot about what it means to "show up" for one another. Every day, our patients walk through our doors carrying stories of strength, uncertainty, and hope — and every day, because of you, we're able to meet them with care, compassion, and respect.

This year brought new opportunities and challenges, but through it all, one thing remained constant: the unwavering support of our community. Your generosity helped provide essential health care services, connect patients to needed resources, and remind families that they're not alone.

Health Care Network is more than a clinic — it's a reflection of a community that believes in dignity, equity, and kindness. As we look ahead to 2026, I'm inspired by what we've accomplished together and even more hopeful about what's to come.

Thank you for believing in our mission and for being part of this important work.

With heartfelt appreciation,

Alison

Program Highlights

Spotlight on Innovation: A New Approach to Diabetes Care

At Health Care Network, we're always looking for new ways to meet our patients where they are — in heart, culture, and community. This year, we're excited to share the launch of a new diabetes management program designed specifically to reflect the cultural values and daily realities of the people we serve.

The program is being led by Bridget Diaz, our Doctor of Nursing Practice (DNP) candidate in Psychiatry from UW-Milwaukee, in partnership with three of our dedicated Health Care Coordinators — Esmeralda Muñoz, Marcela Maldonado, and Veronica Meltzer. All three recently completed certification as Community Health Workers, giving them new tools to better connect, educate, and empower patients.

Why This Matters

Unmanaged diabetes can have a harsh impact, from serious health complications to the emotional and financial stress that ripples through entire families. Many patients face challenges that make diabetes especially difficult to manage including long work hours, limited access to healthy foods, and financial pressures. The result is that by the time symptoms appear, it's often too late for simple treatment.

"As a clinic," Bridget explains, "we realized that the traditional way of treating diabetes wasn't working for many of our patients. We needed to listen more closely and adapt our approach to fit their lives."

A More Personal Path To Better Health

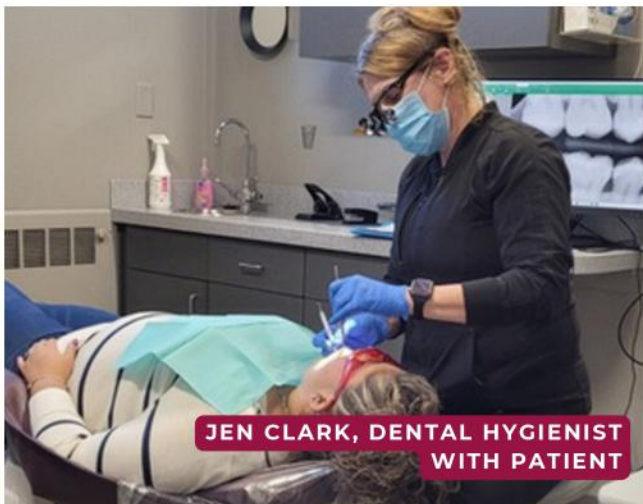

This program takes a more personal and culturally aware approach offering:

- Monthly in-person education and support sessions
- Weekly follow-up calls for encouragement and accountability
- Culturally tailored meal ideas that honor traditional foods
- Help connecting with community resources
- Support for tracking physical activity and blood sugar
- Regular mental health check-ins

Thank you for reading!

**DR. NED MURPHY,
DENTAL DIRECTOR AT HCN**

**JEN CLARK, DENTAL HYGIENIST
WITH PATIENT**

Smiles Are Back: Dental Hygiene Program Returns to Health Care Network

We're thrilled to share that Health Care Network's Dental Hygiene Program has officially restarted - bringing brighter smiles and better health back to our patients!

After a temporary pause, this essential program is once again providing preventative dental cleanings, education, and oral health screenings to uninsured residents of Racine County.

Thanks to the generosity of our donors, we are excited to welcome BACK Jennifer Clark, who was our first Dental Hygienist hired in 2020.

Dental hygiene is about more than clean teeth - it's about dignity, confidence, and overall well-being. Many HCN patients have expressed deep gratitude for the return of this service, sharing how much it means to feel cared for and to smile without hesitation.

In Their Own Words

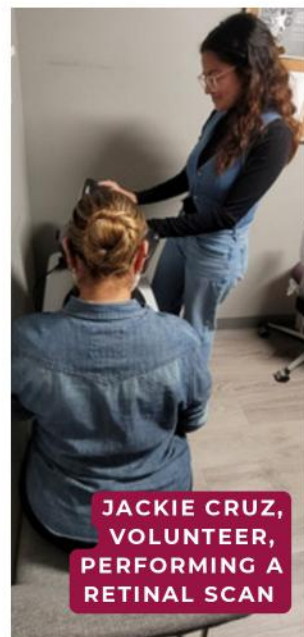

Haroon Mian

"My time with Health Care Network has been a great pleasure and has allowed me to give back to my community now as an assistant and, hopefully, one day in the future as a dentist."

The Gift of Vision

HCN is deeply grateful to Warren Eye Care for donating a retinal screening machine that enhances our ability to detect vision issues early. Dr. John Warren also volunteers his time reviewing scans and providing follow-up care—an extraordinary gift of both resources and compassion.

**JACKIE CRUZ,
VOLUNTEER,
PERFORMING A
RETINAL SCAN**

Bringing Smiles and Second Chances

Health Care Network is proud to share an innovative new partnership with Racine County that extends compassionate care beyond our clinic walls. This spring, HCN launched a dental hygiene program providing preventative oral health services to youth at the Jonathan Delagrave Youth Development and Care Center.

Through this unique collaboration, HCN's dental hygienist visits the facility regularly to provide cleanings, screenings, and education about proper oral health care—services that many of these young people have never had consistent access to before. By meeting them where they are, we're helping to build trust, confidence, and healthier futures.

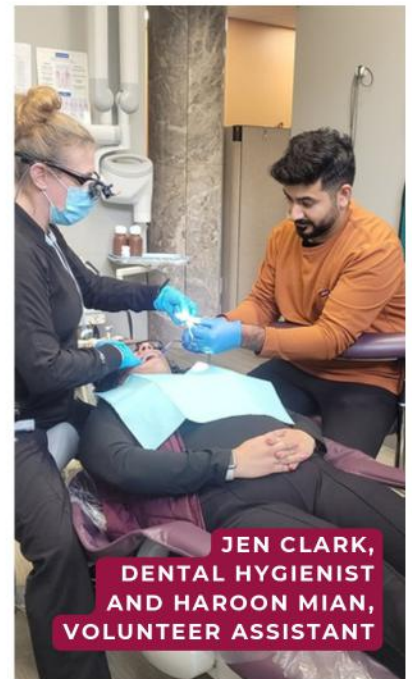

"This partnership reflects the heart of our mission," said Alison Sergio. "Every person deserves access to quality care, and that includes youth who are navigating challenging circumstances. Good oral health can be a powerful first step toward overall well-being."

HCN is grateful to Racine County for its collaboration and to our donors, whose generosity makes it possible to reach new populations in meaningful ways. Together, we're transforming access to care—and transforming lives.

The Power of Partnership

Programs like this happen because of you. Your support gives our staff the flexibility to innovate, listen, and respond to real community needs — ensuring that every patient feels seen, respected, and supported in their journey toward better health.

Thank you for helping us make this kind of care possible. Together, we're not just treating illness — we're building trust, healing communities, and creating healthier futures for all.

**JEN CLARK,
DENTAL HYGIENIST
AND HAROON MIAN,
VOLUNTEER ASSISTANT**

Other Fundraisers & Donation Selections

This past August, the Racine Armenian Coalition held its 17th annual golf outing. The proceeds from this event were generously donated to the Armenian EyeCare Project and Health Care Network, raising more than \$5,000 for our organization.

Also in August, the First Presbyterian Church held the season finale for its 32nd annual Music & More Concert series, raising \$2,500 for HCN.

Thank you to everyone who supported these causes!

In Their Own Words

Milandeep Batth

"As a volunteer, I've seen firsthand how Health Care Network goes above and beyond to provide care for those who need it most. It's a worthy cause because it truly makes healthcare accessible and compassionate for everyone in our community."

Danielle Meyer

"As an aspiring health professional, HCN opened me not only to the world of clinical practice, but also the importance of community outreach, and brought me in the presence of those who dedicate their lives to trying to get healthcare for all. HCN strengthens the community beyond measurable bounds."

Jackie Cruz

"Volunteering at Health Care Network has been an amazing experience, from the patients, to the staff. It shows how important it is to be aware of healthcare disparities in our communities."

Thank you for another great **SATURDAY IN THE PARK!**

We had an amazing day at the Franksville Craft Beer Garden! Alyssia Dominguez played a wonderful set and the food and drinks were great (as always)! Visitors bid on many great silent auction items including Racine Zoo passes, Cooper's Hawk wine and gift certificates, a New Glarus gift box, lots of sports memorabilia, and an all-inclusive trip to Cabo!

Overall, the event raised over \$46,000! These funds will help make a difference in the lives of people living throughout Racine County.

Please join us again next year!

Leave your mark on the future through Planned Giving with HCN.

Do you want to make a significant gift that will transform the work of Health Care Network for years to come? One way to have a lasting impact on the future of our mission is with a legacy gift in your will.

A legacy gift:

- Costs you nothing during your lifetime.
- Preserves your savings and cash flow.
- Can be changed or revoked as needed.
- Allows you to be far more generous than you ever thought possible.
- Is easy to arrange. A simple paragraph added to your will is all it takes.

Make a gift that lasts longer.

- Include a gift to Health Care Network in your will.
- Name Health Care Network as a beneficiary of a trust, retirement plan, insurance policy, or bank account.

Contact us for more information: info@healthcarenetwork.org - 262-632-2400
