## MESSAGE FROM THE EXECUTIVE DIRECTOR

Dear Friends of Health Care Network,

As we close out another year at Health Care Network, I want to take a moment to reflect on our journey together and express my heartfelt gratitude for your unwavering support.

Our dedicated staff and volunteers have worked tirelessly to provide essential healthcare services to those in need, ensuring that no one in our community goes without the care they deserve.

I am so incredibly proud of the programmatic successes this year, some of which have been highlighted in this newsletter. These programs are vital in promoting health equity and empowering individuals to take charge of their health.

As we look ahead to the new year, we remain committed to our mission of providing accessible and compassionate care to all. With your continued support, we can enhance our services, invest in new programs, and foster a healthier Racine for everyone.

Warm regards,

**Alison Sergio**

Executive Director

# PROGRAM HIGHLIGHTS

## HCN EARNs 2024 GOLD STANDARD RATINGS FROM NAFC AND WAFCC

The National Association of Free and Charitable Clinic's mission is building healthy communities for all through quality, equitable, accessible healthcare. To quantify and qualify the care provided at the Free and Charitable Clinic network, the NAFC formalized a set of Quality Standards for member organizations.

NAFC Members voluntarily submit information to the NAFC on the various policies and procedures in place to attain their standards rating and attest/pledge that they successfully incorporate these standards within their organization. NAFC Quality Standards elements include policies and procedures related to the following areas: Administrative, Clinic/Pharmacy Responsibilities, Credentialing and Privileging Systems, Patient Care, and Risk Management Systems. The Gold Seal is the highest award offered by NAFC.

Our organization also holds the Gold Seal of Excellence from the Wisconsin Association of Free and Charitable Clinics (WAFCC), highlighting the clinic's commitment to distributing quality healthcare to vulnerable populations in Wisconsin.

### WISHIN

The clinic began testing interoperable health record software from the Wisconsin Statewide Health Information Network (WISHIN) in August. This software allows HCN providers to view lab results, recent encounter notes, and other patient information in real time from hospitals across Wisconsin. This helps HCN provide better continuity of care.

## Dr. Ned Murphy Awarded the Lifetime Achievement Award from the Wisconsin Dental Association

In November 2024, the Wisconsin Dental Association awarded Dr. Ned Murphy the Lifetime Achievement Award, the WDA's highest honor presented to individuals who, among other criteria, have made significant contributions to the dental profession. Dr. Murphy was presented with the award at the 2024 WDA President's Gala in Eau Claire.

Dr. Murphy began volunteering with Health Care Network in 1992. During his time with HCN, he has assisted hundreds of patients in receiving dental care and has actively participated in other charitable initiatives, including Mission of Mercy and Give Kids a Smile.

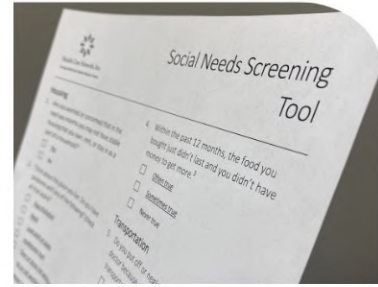

He currently serves as Health Care Network's Dental Director, helping HCN navigate the dynamic dental environment.

## SOCIAL DETERMINANTS OF HEALTH

Health Care Network has long recognized the importance of a person’s social needs to their overall health. This year, HCN began to expand its ability to address these needs. As part of a larger initiative from the Wisconsin Association of Free and Charitable Clinics (WAFCC), HCN has added a social needs screening tool to the patient check-in process. Upon initial intake, and every 6 months afterward, patients are given the opportunity to complete a form listing areas of their life they would like assistance in (e.g., food, housing, transportation). If a patient indicates a desire for assistance, patient care coordinators will schedule them with the onsite Community Health Worker who will work with them to address the need. This improves patient health by reducing stress, enhancing support systems, and promoting better access to care.

## LT GOVERNOR SARA RODRIGUEZ VISIT

In February, Lieutenant Governor Sara Rodriguez visited the clinic to speak with leadership and learn about the needs of non-profit organizations in southeast Wisconsin.

Executive Director Alison Sergio and Dental Director Ned Murphy spoke about the evolving medical and dental landscapes and the need for additional volunteer providers.

## BEHAVIORAL HEALTH

Health Care Network uses the PHQ-9 and GAD-7 screening tools to identify depressive and anxiety-related disorders during all medical and dental appointments. If concerns are identified, a follow-up appointment with the clinical social worker is scheduled. These efforts demonstrate HCN's commitment to addressing patient needs and providing a holistic healthcare experience.

## HEALTH CARE NETWORK ALUMNI

This past year, we had two of our long-term volunteers complete their time at the clinic. Kethan Bajaj (left) has been a volunteer for more than 3 years and will be attending Northwestern University for Medical School. Niko Khurlordava (right) served as the clinic's Public Health AmeriCorps member for the past year and is attending The Medical University of South Carolina.

## WELCOME ENDIYA!

Endiya Isang joined Health Care Network as an AmeriCorps VISTA in October 2024. She earned her MBA with a concentration in Health Care Administration in May 2023 and is deeply passionate about community service. Endiya plans to pursue a career in medicine, with a focus on serving underserved communities and improving access to quality healthcare.

## OTHER FUNDRAISERS & DONATION SELECTIONS

This past August, the Racine Armenian Coalition held its 17th annual golf outing. The proceeds from this event were generously donated to the Armenian EyeCare Project and Health Care Network, raising more than \$4,000 for our organization.

Also in August, the First Presbyterian Church also held the season finale for its 31st annual Music & More Concert series, raising \$2,000 for HCN.

In November 2023, Sharon Burdick and Roxanne Danek graciously added HCN as a donation recipient in their wedding directory.

In December 2023, the Racine Welcome Club donated \$800 to Health Care Network.

Thank you to everyone who supported these causes!

## IN THEIR OWN WORDS

### Dr. James Mataczynski

Dr. Mataczynski began volunteering at HCN in January 2024. He currently volunteers at both the Racine and Waterford locations.

“It’s been a pleasure volunteering at HCN since retiring. It’s been nice giving back to the community in some small fashion.”

### Dr. Arthur Rein

Dr. Rein has been with Health Care Network since 1992. He currently volunteers at HCN’s Waterford location.

“Health Care Network has been an excellent fit for me after I retired from practice. Working with the staff has been great and I really enjoy interacting with patients.”

# THANK YOU FOR ANOTHER GREAT SATURDAY IN THE PARK!

We had an amazing day at the Franksville Craft Beer Garden! The Judson Brown Band played a wonderful set and the food and drinks were great (as always)! Visitors won many great silent auction items including a Traeger Grill, a signed Bucks jersey, and an all-inclusive trip to Cabo!

Overall, the event raised almost \$37,000! These funds will help make a difference in the lives of people living throughout Racine County.
